

Resources for Faith-Based Investing

Books:

- [Investing & Faith – collaborative book, general editor Steve French](#)
- [Profit or Principles - by Dwight Short](#)
- [Investing with Integrity - by Loran Graham](#)
- [Kingdom Gains: What Every Christian Should Know Before Investing - by Dwight Short](#)
- [I Found Jesus in the Stock Market - by Cassandra Laymon](#)
- [Biblically Responsible Investing: For God's Glory and Your Joy - by Robert Netzly](#)
- [The Wallstreet Awakening - by Mark Minnella](#)

Educational Resources:

[Denver Institute white paper](#) by Chad Hamilton is an excellent, free resource! This is a great place to begin, providing a wonderful framework and overview written by an objective 3rd party.

[Kingdom Advisors](#) online course on BRI (written and hosted by Dan Hardt) A video-based, self-study course for investment advisors, brokers, and other investment professionals **Tuition:** \$99 (Only available to Kingdom Advisors Members). **CE:** Accepted for 5 hours of CE credit granted for CFP®, IMCA and PACE designations.

[Christian Investment Forum](#) – Advisor Resources section contains several very helpful items:

- [CIF Fund Performance Research \(2015\)](#) This study showed the performance of BRI funds versus conventional funds. The [summary version](#) is available as well as the full [white paper](#). CIF provides a [chart of all their member firm mutual funds](#). (Keep in mind there are SMA managers and turn-key investment programs that are not included in the chart.)

Screening Tools:

- [Inspire Insight](#) (includes both positive and negative data on equities and equity funds, free version available, offers ability to drill down and understand specific company-level data)
- [BRI Institute](#) (for stocks, can pay for a one-time screening of a list of stocks or subscribe to their database, very flexible and easy to work with on custom arrangements)
- [eVALUEator](#) (employs a very conservative set of Biblical parameters at zero tolerance, does not include environmental or ESG screens)
- For additional ESG screening, there are several other options.
